

## **Why is it so simple? to pray for others?**

God is love, always and everywhere.

God knows exactly what everyone needs we pray for.

God wants so much to do good to those for whom we pray.

And if we love those for whom we pray,

we give joy to the heart of God, who is the love in person.

So God is just waiting to shower those for whom we pray with His love,  
and in answer to our prayers, He gives them the best.

How happy are those for whom we pray so confidently!

How happy God is when we are close to His heart in this way!

How happy we are who live fully in this way,

that we are actually made for!
